# PARTNER AGREEMENT FOR FIXED INCOME STRUCTURED PRODUCT

This Partner Agreement (the "Agreement") is entered into by and between InstaTrade Project (hereinafter referred to as "Provider"), presented on the website *www.instatrade.com*, and the natural or legal person whose registration data is indicated in the account profile in the Provider's system (hereinafter referred to as the "Partner"). The Provider and the Partner are collectively referred to as the "Parties."

# AFFILIATE PROGRAM DETAILS

The Provider has developed an affiliate program (the "Program") as an incentive for Partners to attract investors to the Fixed Income Structured Product. Fixed Income Structured Product (the "Product") represents structured fixed income investments with guaranteed profitability. These investments consist of an investment amount and a subscription for a copy trading system. This Program is available to all subscribers of the Product.

For the purpose of this agreement, the Partner shall open the account for commissions in addition to the main trading account. By attracting investors to the Product, Partners can increase their profits. This Program offers Partners the opportunity to make the Product a full-time source of income without any commitment.

The essence of the affiliate program is that Partners can refer friends and receive a commission on the account for commissions through a multi-level referral system:

- Level 1: Partners receive 15% when they invite a direct referral.
- Level 2: Partners receive 7.5% when their direct referral invites another participant.
- Level 3: Partners receive 3.75% when a second-level referral invites another participant.
- Level 4: Partners receive 1.85% when a third-level referral invites another participant.
- Level 5: Partners receive 1% when a fourth-level referral invites another participant.
